MINERS TO VISIT

SOUTHERN CAMPS

TONOPAH AND GOLDFIELD PRO-BABLE CAMP SELECTIONS FOR STUDENT TRIP

In order that the mining students of the Mackay school of taines at the university might get a more practical idea of mining and milling

practical idea of ulning and milling methods, a five day trip to mines in the state has been scheduled. The journey will begin March 31. The exact choice of camps has not been decided as Grass Valley, Rochester, Tonopah and Goldfield have been suggested. The advanced stage of mining at Goldfield and Tonopah makes these camps the favorite. They will probably be the ones selected.

will probably be the ones selected.

BIG STRIKE MADE ON

LEASE AT BULLION

People coming in from Bullion say

Pierce on the Grant lease is by far he biggest yet struck in the district and the extent of the strike is yet to

be determined, as the drift has been run in on the ore body for a distance

of 39 feet with no indication of the other wall, says the Free Press. The strike was made in the Web-

foot tunnel at a distance of over 1.100 feet from the portal of the tunnel, the

values running about equally in silver, lead and copper, and a general assay giving values better than \$60.

having been explored for a distance of 40 feet, and is 12 feet wide, extend-ing upwards to an unknown height. On one side of the wall is solid ore. When the opening was made into the

cave a draft of air swept through the tunnel, and it is believed that the cave

extends clear to the top of the

from this camp, the public can appre-ciate the importance of the strike, and

shipping will begin just as soon as the

charge of assault with intent to kill
W. F. Mendes, by shooting at him, brought in a verdict last evening of Aubrey left by machine this morning to party. The jury was out aix for Palmetto to look at a mining propagate. HARRY McNAMARA and W. H. ings. perty.

REGISTRATION TIME GOLDFIELD BEGINS

The Goldfield Athletic club's show The flotation plant of the Nevada will be held on Thursday evening. Metal Extraction company, on the March 36. The club had planned to site of the old Florence Goldfield mill. March 36. The club had planned to hold its show on March 28, but they had to postpone it for two days as Milt Livermore, who meets Freck Lydon, would have been unable to get Lydon, would have been unable to get bere from Reno in time to train properly for his bout.

Bert Williams of Tonopah, who meets Red Howard in one of the main events, its training hard to get in shape for Red. The latter is a good, tough boy and made quite a hit at the last show. Red's ability is almost unknown and he may prove to be a tartar.

The balance of the card is well balanced and Rainier claims that the fars that will witness his next show will see plenty of action. Frank Barney meets Charley Packey. These two boys are featherweights. Buck O'Brien meets our own Blackie Myers, and Chaiky Miller, a listle coon who has made a big hit with the gold camp's fight fans, will box young Nelson in the curtain raiser.

The balance of the card is well balance and exhaustive tests with the flotal name process on this are, finally convincing himself beyond a doubt that the refrectory ares of the district could be treated profitably by this method and that flotation offers a satisfactory solution of the problem, for merly believed to be insoluble, of extracting the metals from the low grade copper bearing ores of Goldfield at little expense. In designing both the local flotation plants the most approved equipment has been included and the latest and most efficacious ap the latest and most efficacious ap pliances and methods emptoyed suc cesafully elsewhere have been pro

AMUSEMENTS

A double bill will be seen at the Butler this evening. A two-reel Chap lin comedy entitled "Caught in a Cab in comedy entitled "Caught in a Cab-aret," and a five-reel Blue Ribbon feature, "The Crown Prince's Double," with the world wide favorite Maurice Costello playing a double role, that of the exiled prince and his double, a young American adventurer, the dual role providing Mr. Costello with a splendid chance to give his usual fin-ished performance, and looks his best. Anna Laughlio well known in yende-Anna Laughlin, well known in vendean accomplished manner, and Norma l'almadge, another Vitagraph favorite, endows the character of Shirley with her exceptional good looks and pleasing personality. The story tells of the effort of a prince to avoid returning to his native land after his exile. He is happily married in this country and employes his double to foil the efforts of conspirators who try to lure him from his wife. It is a program that will give an hour and three quarters of solid entertainment

Tomorrow, another great serven favorite will be seen in Marguerite Clark in "Heleng of the North," telling in a graphic and original manner of the life of a young and captivating girl, the daughter of a titled English woman, who through a misguided weds a notorious character of Northwestern Canadian woods it is one of the distinct screen novel-ties of the year. The preliminary reel in a feature in itself, being a brand new Paramount Bray cartoon comedy, which is one of the late additions in F. DYER is over from Goldfield the Butler program.

SILVER PEAK CASE UP

In the district court today the case of the Pitthsburg-Silver Peak Mining company versus the Nevada Tax commission is on trial, says the Appeal. The company is asking a reduction in the assessed valuation of their property, made in 1914, from \$592,000 to \$320,000.

MAPLE FLOOR LAID

The new maple floor in the Airdome, the largest and most expensive maple floor in the state, was completed as far as the laying is concerned this morning, but it will be four or nive days before the inishing process is considered and it is ready for danc-ing. It will be in readiness for the baskerball game,
